Wednesday afternoon works for me. Late Tuesday afternoon also works for me, but Fara and Emily will be just getting in tomorrow, so we will have to see how things go.

Just following up on a conversation I had last week with Reggie and Jennifer.... I was hoping to have a case strategy meeting on Wednesday afternoon to discuss the next steps in this investigation. It looks like the last person scheduled for GJ is at 2:30, so I can be there by 3:00 and just wait around for the conclusion of that testimony. Or let me know if we can do it sooner, and I will come over. Emily and Fara, I look forward to meeting you.
